

## **CentTrain Past, Present, Future**

**CentTrain is a training manual for Direct Support Professionals who are working in licensed residential settings in the community.**

**CentTrain is based on the 1995 Michigan Department of mental Health Group Home Curriculum-"Providing Residential Services in Community Settings: A Training Guide". The information contained in the 1995 Group Home Curriculum (GHC) has been revised and updated to reflect current trends, standards and Michigan Laws for providing person centered care and supports. Many of the units have been re-named to correspond to the requirements listed in Rule 330.1806(2)(3)(4) Michigan Department of Human Services regulations for "Certification of Specialized Programs".**

**This manual is offered as a public service and is sponsored by Community Mental Health for Central Michigan (CMHCM). CMHCM would like to acknowledge the following agencies for their support, cooperation, and participation in developing this training resource: Listening Ear Crisis Center, Inc., McBride Quality Care Services, Inc., Valley Residential Services, Inc. Additionally, we would like to thank the entire CMHCM Provider Network for all their feedback during the final editing process.**

**This entire manual has focused on empowering the individuals who receive services (consumers), and many consumers were involved in the planning and development of these training materials so a final thank you to: Aaron, Midge, Bryan, Ruth, Myron, and Scott for your recommendations, and assistance.**

**CentTrain is a versatile training system that may be used in many community settings and can be administered to one person at a time or to an entire group. Each unit has "Trainers Note's" which will guide the Trainer in the implementation of this training system.**

**CentTrain will be available in PDF format for download at the following link: <http://cmhcm.org/> under the provider menu. Please check this site regularly for new units, and other training resources. All revisions and additions to materials will be available at this site.**
