Woke Jane to take her meds. She got a glass of water and needed no help to take them when handed to her. Jane chose what to eat from breakfast choices. Monitored while she ate. Refused to put dishes in dishwasher. Got dressed to go to dentist. HOH assist with zippers/buttons on clothes and to wash hands. No concerns @ dentist. Came home, ate lunch, watched tv. Played game w/housemates & took a nap.

2nd SHIFTStart Time: 3:00 ^{a.m.}_{p.m.}Stop Time: 11:00 ^{a.m.}_{p.m.}

On arrival, Jane joking around w/housemates. Passed meds @ 4p. Assisted Jane w/shower by putting soap on washcloth & prompts to ensure she got soap out of her hair. Reminded her to put on powder after drying off. Put on PJ's independently. Jane chose milk w/dinner. Made Christmas cards w/housemates. Helped put toothpaste on brush. Jane went to bed @ 9:30pm.
