

## TOP 5 THINGS CONSULTANTS CAN DO FOR YOU!

1. Build your resources and tools to be successful.
2. Link you and/or families to community services and supports.
3. Facilitate strength-based communication between providers and parents.
4. Support staff in building a strong team and positive work environment.
5. Increase understanding of a child's behaviors and social emotional needs.

“Such a wonderful resource not only for teaching me how to teach my children how to start self-regulating and understanding their emotions but she also taught me how to regulate myself and really think about the way I choose to interact with the young children I care for... My program would not be at the quality level it is without her.”

- Home Care Provider

“I can't explain it. I just always feel so much better after talking with you.”
